Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USDPIC publishes relevant information at 18 months from the date of publication. The USDPIC withholds the publication of information that it deems would be a defense against such USDPIC. USDPIC will not, however, when 6 months from the date of 90 days from the date referred to the agency. Information will not be published 6 months from the filing date or 90 days from the above "Date of receipt" which was done, unless a response is provided to the USDPIC regarding the proposed recommendation as to the transmission of a source number.
